LIVE UNITED**

# CHAIRMAN'S MESSAGE

Aloha Maui United Way 'Ohana,

2021 was a year of challenges, optimism, then more challenges for the Maui community. As the pandemic stretched our resources and mental wellbeing, the impacts have been immeasurable. There hasn't been one resident that wasn't affected in one way or another during this challenging time. It continues to be our responsibility to give back in meaningful ways to ensure our community is stronger and more resilient as the light at the end of the tunnel continues to grow. With out the support of individuals like you, we would not have been able to continue the work Maui United Way (MUW) and our 'ohana does.

As a result of the crisis, MUW stepped up in ways we didn't think we could. Stepping in to manage the Kaukau 4 Keiki program, with support from the entire community, we ensured no child went hungry during school breaks. While at the same time, this program injected much needed resources and funds to the local agricultural system providing culturally appropriate food like poi and ulu. With food costs skyrocketing, continued COVID spread, and supply chain issues caused by environmental and economic crisis, MUW was able to adapt and innovate a program to bring healthy food and resources directly to families across Lanai, Maui, and Molokai. With over 21,000 meals delivered per week, our entire community, volunteers, staff, donors, and the incredible network of nonprofits, have, and will continue to work to provide a hand up to those that need it most.

Beyond our work and partnerships in food security, because of you we were able to provide the many need social services to our Maui County community through programs in Health, Education, and Income. Your generosity and volunteerism resulted in over 1,400 volunteer hours, over 25,000 people being served, and \$456,000 in contributions to the 2021-2022 campaign in support of vital programs delivered through our Partner Agencies. With a substantial decrease in our campaign funds due to outlying factors, we've had to think outside the box on how best to continue support. Due to efficiency, ancillary funding sources, and MUW reserves, our support will continue without disruptions. This doesn't mean we don't have to work harder, ask for help more, and continue to grow our network to ensure our partners have the safety net they need. We'll continue to work to provide funds in flexible ways that adapt to support current and future needs.

LIVING UNITED involves all of us – our 39 Partner Agencies that provide vital services to the neediest in our community; our workplace campaigns, corporate sponsors, major donors, and foundations that contribute to crucial funds; our volunteers who are making a difference by offering their time and talents in service; and our Board and Staff who must provide a workable vision and leadership to fulfill Maui United Way's mission. Despite Maui County being considered a paradise by most people in the world, there are still many residents in need. Homelessness, hunger, unaffordable healthcare and housing, domestic abuse, mental health support, and addiction continue to plague our County. Because of your generosity and the tireless efforts of our partner agencies we are making an impact in our fellow citizen's lives by doing more good.

We look forward to the future as a strong and resilient organization because we are part of a strong and resilient community.

*All the best to you and your 'Ohana,*

**Simon Poole**

*Chairman, Board of Directors*

**OUR MISSION:**

# PRESIDENT'S MESSAGE

Empowering a community takes an 'Ohana and the positive impacts can be felt for generations. Now more than ever, our communities need help. They need hope. Your Maui United Way strives to continue to empower those that need it the most as we slowly emerge from some of the most difficult times a community could go through. As we shift from a reactive mode, induced by the COVID-19 pandemic, to a proactive mode, we are now assessing the most pressing issues that have emerged. Inequity has unfortunately always been prevalent with over 40% of our county's population falling into the ALICE (Asset Limited, Income Constrained, Employed) threshold before the pandemic. What we didn't know, and now are uncovering, is how this crisis would widen the gaps in equity for potentially generations to come.

Over this past year, your Maui United Way has been fueled by the passion of our donors, volunteers, and staff to fight for the health, education and financial stability of every person in our Maui County 'Ohana. Unfortunately, the reality is that the economic impacts our community is feeling, has affected us as well. Our largest fundraising channel, the annual campaign, has experienced a revenue decline of over 40% this past year. We've been fortunate to have an organization that has been prepared for situations like this with reserves in place and supporters to lean on to ensure our partners' work continues. But reserves can only sustain our organization for so long. We are working hard to develop a plan to rebound from the revenue decline we're experiencing by working closely with businesses to share the lifesaving work their staff and industries support by donating to Maui United Way through the annual campaign and workplace giving.

Every day, our volunteers, donors, and advocates are making a lasting difference in so many ways. This year, we continued our three-year Community Impact grant cycle contributing over \$400,000 to Maui's most impactful 39 partner agencies. We also took part in the FEMA EFSP program to bring in nearly half a million dollars to the nonprofit sector. We supplied lifesaving PPE and COVID-19 rapid tests to the nonprofit sector so they could continue to provide much needed services to our community, all while supply chains were lacking. We provided over 115,000 locally produced meals to keiki across Maui, Lanai, and Molokai. We provided school supplies and toys to those families that might not have had the financial resources to have them. We will continue to fight every day to empower our community through programs like these.

Moving into the future we must clearly address the evolving problems within our community. Not having enough money to afford medical care, not having enough mental healthcare professionals, not having access to education...these all can cause generational issues. It is essential that we identify and immediately start tackling these problems or it will cost us more and more every year as a community. We must strive to close equity gaps in systems that are unfortunately designed to prolong them. The responsibility falls on all of us to create a better future. We can't do it alone. Maui, Molokai, and Lanai together can provide a hand up to build resiliency as we dust ourselves off from this past year and look towards a brighter and more equitable future.

*Aloha for All,*

**Nicholas Winfrey**

*President & Chief Professional Officer*

**TO BRIDGE RESOURCES THAT  
ENRICH AND EMPOWER OUR  
COUNTY OF MAUI COMMUNITY.**

# HIGHLIGHTS OF THE YEAR

Maui United Way

## MAUI UNITED WAY IN YOUR COMMUNITY

For over 75 years Maui United Way (MUW) has served as more than just a thought leader in the nonprofit space – we have been a catalyst for positive and permanent change. Each day, in all corners of Maui County, we are giving people the tools, resources, and knowledge they need to strengthen their lives and communities. We're a vehicle for change, connecting people with the causes that are most important to them. We have ensured that non-profit services are available for those in need. Together, with our community partners, we continue to impact sustainable change and provide hope for a better tomorrow. Last year, over 25,000 non-profit services were provided to people in need through the generous support of our community. MUW is committed to improving the lives and futures of individuals, children, and families by strategically investing in programs that support the needs of **EDUCATION**, **FINANCIAL STABILITY**, and **HEALTH**. MUW partners with 39 partner agencies to provide critical non-profit programs; mobilizes hundreds of volunteers to give back; and advocates for positive change. While 2021 was a tumultuous year in many ways, around Maui County individuals and institutions stepped up to help people take on tough problems. And through it all, Maui United Way was there – fighting for every person.

### EDUCATION

INDIVIDUALS SERVED

### HEALTH

INDIVIDUALS SERVED

### INCOME SUSTAINABILITY

INDIVIDUALS SERVED

## TOOLS FOR SCHOOL DRIVE

In 2021, our Annual Tools for School Drive took a different approach and requested supplies that cost families the most. These supplies included Sharpie permanent markers, Expo dry erase markers, Crayola crayons and markers, and quality erasers and pencils. With the help of our generous sponsors, donors, and supporters we were able to serve over 1,000 keiki including over 300 keiki on Lana'i. Mahalo to Kamaka Air for sending all 250lbs of supplies to Lana'i for us. Although we were still feeling the effects of Covid-19, those who were able to give definitely stepped up and we can't thank all our donors enough. A special Mahalo to our sponsors Pacific Media Group and HMSA for their continued support of the drive. Mahalo to Abbey Carpet for allowing us to use their warehouse to house our drive, and to our amazing drop-off locations and staff, Wailuku Federal Credit Union, HMSA, Ceramic Tile Plus and Abbey Carpet for all their donations. Kamaha'o of Maui High and Maddie of Maui Prep served as our student coordinators and they did a great job at going out into the community to advocate for their schoolmates in-need.

## HOLIDAY TOY DRIVE

Maui United Way, and Friends of the Children's Justice Center (FCJC) with sponsorship from Pacific Media Group (PMG) held their 2021 Holiday Toy Drive to benefit children in need on Maui, Moloka'i and Lana'i. It's been seven years since we joined forces and have been serving our community's keiki with the help of generous donors. Bank of Hawaii served as the main drop-off location. The giving spirit was alive and well this holiday season, and those who could donate stepped up and gave with their hearts. With the overwhelming support of the Maui community, we were able to reach our goal and filled 100% of requests, and distributed over 1,800 toys to Keiki in need on Maui, Lanai, and Molokai. All toys were distributed through Maui United Way's non-profit partner agencies as well as the partners of Friends of the Children's Justice Center. "Special mahalo to our sponsor PMG, Bank of Hawaii, Big Brothers Big Sisters of Maui, Carden Academy, Castaway Construction, Makawao Veterinary Clinic, Chris and Catherine Brock, and every donor and partner for your support in making this year's drive successful. It was very touching to see how many people chose to do more good even in these tough times," shared Maui United Way's President and CPO, Nicholas Winfrey.

## **PERSONAL PROTECTION EQUIPMENT (PPE) DISTRIBUTED TO THE NONPROFIT COMMUNITY THROUGH MUW**

Through generous grants received from Hawai'i Community Foundation to purchase PPE items and COVID Test Kits, Maui United Way was able to supply our local non-profits with much needed PPE items. Since June 2020, we have been able to provide 270 gallons of sanitizer, over 175,000 PPE items, and over 425 COVID test kits to over 50 non-profit agencies throughout Maui County, including Lanai and Molokai. We do still have a limited supply of PPE items and test kits available. If your nonprofit organization is in need of any of these items, please contact Angela at [angela@mauiunitedway.org](mailto:angela@mauiunitedway.org).

## **MAUI UNITED WAY'S VEHICLE DONATION PROGRAM**

Maui United Way accepts vehicle donations! Vehicle donation pickup is always free to you and most vehicles can be picked up within 24-72 hours. You'll receive an initial car donation receipt upon pickup and then the CARS Team will work to turn your car into cash to support Maui United Way. Once your vehicle is sold, they will provide you proper tax forms in time to file. The Donor Support Representatives are available 7 days a week to assist you throughout the process. To donate your vehicle or learn more about our program, please visit our website.

## KAUKAU 4 KEIKI

Maui United Way joined The Kaukau 4 Keiki (K4K) program in 2021 as the fiscal sponsor. The K4K attempts to address the youth food access gap by providing students with a weekly box of food, delivered directly to students' homes, for families who cannot access state Department of Education distribution sites. Each box contains milk, bread, protein and fresh Maui produce and is delivered by a team of community members. Most of the food is boxed by Mahi Pono, which provides fresh produce and sources additional produce from Maui farmers. Boxes for children in Hana include Hana-grown produce and protein and are boxed and distributed by the Hawaii Farmer's Union United Hana Chapter. The program completed its first distributions during the spring break in 2021 by delivering 600 boxes of food to keiki from Hana to Lanai and everywhere in between. During the

summer 2021 program, the K4K program delivered 4,200 boxes of grocery items directly to student's homes, which was enough for 56,400 meals. Each box contained milk, bread, protein and fresh Maui produce. During the winter program, 21,000 meals were provided to keiki during the 2021 winter break. Volunteers donated over 527 hours of their time to ensure 1,600 boxes of food and fresh produce were delivered to households on Maui, Moloka'i and Lana'i. Sentry Insurance Foundation donated \$100,000 to Maui United Way for The K4K Winter Program which went towards the purchase of food, distribution, and administration efforts to run the program on Maui, Moloka'i and Lāna'i. Maui United Way continued serving as the fiscal agent along with community support from Mahi Pono, HFUU Hāna Chapter, Hawaii Food Service Alliance, Sensei Lāna'i, Sustainable Moloka'i, Maui Food Bank, Blue Zones Project Maui, Matson, Tri Isle Trucking, Hyatt Regency Maui Resort, and Maui, Molokai and Hāna farmers.

## HEALING THE HEALERS EVENT

Maui United Way along with Hawaii Land Trust (HILT) and Hui No Ke Ola Pono hosted a “Healing the Healers” event on April 7, 2022 at Waihe’e Coastal Dunes and Wetland Refuge to thank Maui, Moloka’i, and Lana’i based nonprofit and health center staff for all they do for our community. During the past 2 years, nonprofit staff had expressed feeling burnt out. Healing the Healers strived to restore purpose through an event that healed using traditional Hawaiian practices in a safe outdoor environment.

The event started with attendees working on the ‘aina with HILT and learned more about the Waihe’e Coastal Dunes and Wetlands Refuge, then moved on to 5 cultural and health stations and a delicious Hawaiian meal from Hui No Ke Ola Pono. The event had a little less than 100 attendees and many expressed how much they needed a day to step away from the work and connect with the land and heal.

One of the participants shared, “It helped me by allowing me to pause the normal day-to-day hub of my work. I was able to keep my mind off of work and focus on self-care, which is not a common luxury I get to have.” “It was an honor to host an event that supports our community’s healers. We want to extend a huge mahalo to Hawaii Community Foundation for sponsoring this event and to Hui No Ke Ola Pono for providing the healing stations. We look forward to doing more of these events in the future.” said Nicholas Winfrey, President and CPO of Maui United Way.

***Healing the Healers strived to restore purpose ...  
using traditional Hawaiian practices***

# LEAVE A **LEGACY**

Have you ever thought of leaving a legacy to Maui United Way? Through our planned giving program, your gift to Maui United Way goes beyond individual causes or organizations. It develops long-term prevention strategies, and yet, remains flexible to meet emerging needs.

## DIVERSITY, EQUITY & INCLUSION STATEMENT

### WORKING TO UPROOT DEEP-SEATED INEQUITIES WITH THE INTENTION TO PROMOTE POSITIVE CHANGE

Maui United Way, with funding support from Nuestro Futuro Foundation and facilitation by 'A'ali'i Alliance, brought together a diverse group of community members from Maui, Moloka'i, Lana'i and the state to develop a new Diversity, Equity and Inclusion statement. Abigail Perrin, Executive Director of Nuestro Futuro Foundation in Ha'ikū, shared "working to uproot deep-seated inequities with the intention to promote positive change is a prime tenet of Nuestro Futuro Foundation's work.

We are proud to be in partnership with Maui United Way in this endeavor." Summer Keli'ipio of 'A'ali'i Alliance said: "'A'ali'i Alliance is honored to work with Maui United Way and the leaders in our communities who are actively working for justice and equity across the state. By first acknowledging current suffering and then putting in the hard work to transform from inequity to aloha, Hawai'i has a greater chance of meeting its potential and being a role model for the world." Maui United Way President and CPO Nicholas Winfrey said: "We are proud to acknowledge the underlying causes of inequity in our community and will continue striving to lead by example in this space. In the near future, we'll be working with our local partners to help them develop their own unique DE&I statement."

"With aloha at the center of our work, Maui United Way acknowledges the past and ongoing injustice here in these islands and works to set it right," the statement says. "Through this acknowledgment and action, we will find a Hawai'i where race, ethnicity, national origin, gender, gender identity, sexual orientation, class, disability status, geography, age and all other identities are embraced as assets that help to create beautiful contributions for the good of our communities." This statement is a short version of a longer more detailed statement that can be found on the Maui United Way website: [www.mauiunitedway.org/what-we-do](http://www.mauiunitedway.org/what-we-do).
